# ABOUT ME

Merrygold | Beauty Artist & Skin Therapist

Hello, I'm Merrygold a passionate beauty artist and certified skin therapist with over 10 years of hands-on experience in the global beauty industry. My journey began in Nigeria, where I pioneered makeup artistry in a well-known location and helped shape the local beauty scene. Since then, I've trained with top beauty academies across Nigeria and the UK, earned VTCT level 2,3,4,5 beauty qualifications and CPD certifications from respected institutions in London, and worked with globally renowned brands and stores like Charlotte Tilbury (No 1 UK beauty brand), HARROD and SELFRIDGES.

These experiences have sharpened my expertise in delivering luxurious, effective treatments that blend innovation, care, and results. Throughout my career, I've served a diverse and elite clientele from high-profile individuals to everyday clients seeking confidence through beauty. My roles as a beauty specialist and skin therapist have taken me to prestigious platforms like Thérapie Clinic (Europe's top skin clinic) and 24Seven Talent Acquisition, allowing me to work across both creative and clinical beauty spaces. I've built a reputation for my attention to detail, warm personality, and personalized approach, always putting my clients' needs first. Whether addressing skin concerns or enhancing natural features through makeup, I bring a gentle touch and a results-driven mind set to every session.

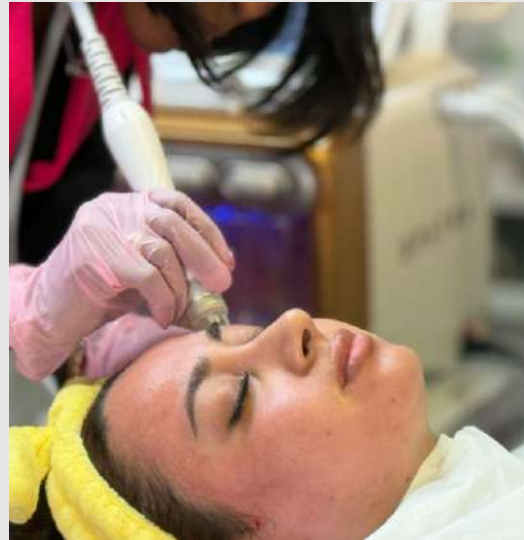

Today, I continue to evolve with the industry while staying grounded in my passion for empowering others. Beauty is more than skin-deep; it's a journey of self-confidence and self-care. My mission is to help you feel radiant, inside and out, by offering world-class treatments and heartfelt service. Thank you for being here I look forward to helping you love your skin and celebrate your beauty with grace and excellence.
